---

(Includes Central Area – Squire Park Neighborhoods)

---

**DEPARTMENT LEAD:**

---

RA Matthew Thomas

---

## COMMUNITY PRIORITIES

---

- Homicide
- Narcotics Activity
- Assault
- DV Issues
- Traffic (Speeding) Issues

## PROBLEM SOLVING STRATEGIES

---

1. Homicide
  - a. Proactive high visibility patrolling in known hot spots.
  - b. Using data in various ways to collaborate with and inform our community.
  - c. Ensure that state DOC, prosecutor's office is aggressively tracking subjects of interest.
  - d. Ensure SPD Homicide Unit is assisting 911 officers and community.
  - e. Identify and track known criminals who frequent the boundaries of our east precinct.
2. Narcotics Activity
  - a. Conduct proactive High visibility patrolling in known narcotics hot spots.
  - b. Coordinate with Narcotics and other SPD Detectives in an effort to detect and apprehend known offenders/users and dealers.
  - c. Work Closely with DMI and other alternative programs with efforts towards rehabilitation/recovery.
3. Assaults
  - a. Use proactive high visibility patrolling and investigative info for arrest and identification purposes.
  - b. Use various media conduits to inform the community on recent or lingering crime trends and best practices for self and property.
  - c. Ensure that all officers are conducting thorough investigations to assist in developing M.O. information on known and unknown suspects which will also enhance the chances of a successful prosecution.
4. DV Assaults
  - a. Use various media conduits to inform the community on recent or lingering crime trends and best practices for self and property.
  - b. Ensure that all officers are conducting thorough investigations to assist in developing M.O. information on DV suspects which will also enhance the chances of a successful prosecution.

- c. Ensure that our 911 officers are engaging the public and working towards building a one on one relation with the community members in their areas of responsibility.
- 5. Traffic Issues
  - a. Ensure 911 officers are providing proactive traffic patrols in areas of concern.
  - b. Use enforcement, engineering and education to combat hazardous driving behaviors.
  - c. Coordinate with SDOT, SPD Traffic and the community in developing/implementing a community specific enforcement plan with measurable long and short term outcomes.
  - d. Provide community feedback via SPD web sites and or community blogs and newspapers.
  - e. Contact SDOT regarding the various community based grants relating to traffic enforcement and community development.
